

Amanda

For your next spouse program, professional florist, Amanda, will work with you on a program to please your guests...

flower arranging

all the details you need for a professional arrangement - fresh, silk, or dried

wreath making and decorating

for any or all holidays - or to coordinate with your decor

garden perfection

how to start a garden or perfect an existing one

table centerpieces

for any occasion

Demonstrations or Workshops for small or large groups.

Amanda will share her horticultural knowledge in a program selected just for your guests.
