

NOT YOUR TYPICAL MAGIC

NICK LAKIN isn't your typical magician. He is professional entertainment that will blast your special event from mediocre to incredible with magic and comedy so amazing it will make your brain hurt. **Nick** is a much sought after performer for **big companies** who need their important events entertained with good clean comedy and magic that won't fail to pack that entertaining punch. *As a multi-award winning magician*, his style of magic will **wow** your audience while at the same time, through situation comedy and hilarious byplay, have them **laughing** with scenes they'll remember and talk about long after the event is over. With **Nick Lakin** at your special event, you don't have to worry about your guests having a good time—they will!
