KEITH MATHENY

MENTALIST EXTRAORDINAIRE

"MIND OVER MAGIC"

KEITH MATHENY

"The Mentalist"

Keith Matheny can read your mind!! Or can he? You be the judge. For more than a decade, Keith has crisscrossed the country, making believers out of skeptics as he helps unlock the powers and mysteries of the mind. Regarded as one of the world's most entertaining and captivating mentalists, Keith Matheny's "Mind Over Magic" presentation is the perfect entertainment choice for banquets, luncheons, business meetings, conventions and stage performances.

During a routine performance, Keith will:

- *Reveal your hidden thoughts*
- *While heavily and securely blindfolded, describe objects held and selected by audience members*
- *As part of his amazing memory demonstration, Keith will identify as many as 100 audience members by name... persons that he had only met moments before they arrived for the show!!*
- *Call out the serial number on a dollar bill belonging to an audience member.*
- *Make predictions of the evening's performance... before they happen!!*

Not only is Keith's show baffling and mind-boggling, it is also hilarious!! Packed with audience participation, Keith will have your audience doubled over in laughter, and, at the same time, scratching their heads in amazement. What Keith can do defies logic and yet he does not claim to be a psychic or possess any supernatural powers. At no time ever does Keith use confederates or "plants" in the audience to help showcase his amazing feats. Still skeptical? He offers \$25,000 to anyone who can prove otherwise. Keith Matheny is an extraordinary entertainer who shares with his audience keys which help unlock imaginary boundaries and mysteries of the human mind. Get ready to be entertained, motivated, and mystified. Mentalist Keith Matheny is a meeting planner's dream.

"You were the life of the party and had everyone in a trance in the first five minutes. I've heard nothing but praise and I'm now called the "party giver"! Thanks for being something out of the ordinary.
Jane Hayes, Mead Paper Company
